

**2020-21 SANTA BARBARA CITY COLLEGE
INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)**

The Intersegmental General Education Transfer Curriculum (IGETC) is a pattern of courses that California community college students can follow to satisfy *lower-division* general education requirements at any California State University (CSU) or University of California (UC) campus. In addition, completion of IGETC qualifies students to receive a Certificate of Achievement from SBCC. **Students who do not qualify for a full or partial certification of their IGETC before transfer will be required to complete the General Education pattern of the UC or CSU campus to which they transfer.** Students should be aware that additional courses are often required to fully satisfy the General Education requirements of the particular UC or CSU campus to which they transfer. IGETC is not advisable for all transfer students. Students should meet with an academic counselor and visit <http://www.sbccc.edu/transfercenter/whichge.php> to determine the appropriate general education option for their transfer goal. A student who is initially enrolled at a UC and is returning to the same UC campus (after attending a community college) is considered a "readmit" and **cannot** use IGETC. However, students who initially enroll at a UC, attend a community college and return to a **different** UC campus, may be able to use IGETC, but should check with the campus they wish to attend. This restriction does not apply to students who have taken UC summer session or Extension classes only.

For the official IGETC Standards, Policies & Procedures, visit <https://icas-ca.org/wp-content/uploads/2020/06/IGETC-STANDARDS-FINAL-Approved-June-3-2020.pdf>. For detailed information about SBCC courses approved to meet IGETC requirements, visit www.assist.org.

IGETC CERTIFICATION PROCESS

Certification must be requested after the student completes the IGETC requirements. Certification request forms may be obtained from the Transfer Center (SS140) or at <http://articulation.sbccc.edu/uforms/igetc/igetccapplication.pdf> and must be submitted to the Transfer Center. Certification will not be processed when courses are still in progress or before grades are known. Certification of IGETC is the responsibility of the **last** California community college a student attends prior to transfer. Students must attach their **official transcripts** from other colleges to their request for IGETC certification unless they have already submitted an **official copy** to SBCC's Admissions and Records office. IGETC coursework completed in specific subject areas at other California community colleges will be used in the area designated by the CCC at which the course was completed, according to IGETC policy (see IGETC Standards Section 5.1). Appropriate non-CCC general education courses in the humanities, mathematics, social sciences, and natural sciences that are completed at United States regionally accredited institutions may be certified on IGETC if the courses meet IGETC Area Standards in their content, prerequisites, texts, units (see IGETC Standards Section 10.0). International coursework may be applied to IGETC if the international institution has United States regional accreditation. All other international coursework cannot be applied to IGETC (Exception: Area 6A - Language Other than English).

PARTIAL IGETC CERTIFICATION

Partial certification is defined as completing all but two (2) courses on the IGETC pattern. The UC or CSU is responsible for verifying that the missing IGETC course(s) has been completed. **Warning:** Students need to meet minimum UC/CSU transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in IGETC Areas 1 and/or 2 may also indicate a student does not meet minimum transfer requirements.

AMERICAN HISTORY AND INSTITUTIONS REQUIREMENT FOR UCSB

Any of the following SBCC courses may be used to meet UCSB's American History and Institutions Requirement as well as a requirement for IGETC: Administration of Justice 101,105,245; Art 106; Asian American Studies 101,102; Black Studies 101,102,102H,103; Chicano Studies 101,102,103,121; English 225,226,226H; Environmental Studies 112; Ethnic Studies 101,101H,107; History 101,102,102H,110,110H,111,112; Native American Studies 101,102; Political Science 101,104,151, Sociology 107. See SBCC counselor for other options to satisfy this requirement.

ADVANCED PLACEMENT EXAMS WITH SCORES OF 3, 4, OR 5 APPLICABLE TO IGETC CERTIFICATION

A score of 3, 4, or 5 is required to grant credit for IGETC certification. Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language other Than English (Area 6A – see chart below). Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both. For information about course credit awarded by each CSU campus, contact the individual campus. For information about course credit awarded by the each UC campus, visit <https://admission.universityofcalifornia.edu/admission-requirements/ap-exam-credits/ap-credits/>.

% AP exams in Biology, Chemistry, Physics 1, Physics 2 or Physics B allow CCC campuses to apply 4 semester or 5 quarter units to IGETC certification (Physics 1 & 2 replaced Physics B in 2014-15). For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification; therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

♦ UC: A maximum of 5.3 semester units of UC transferable credit will be granted for both calculus tests. CSU: If a student passes more than one AP exam in calculus, only one examination may be applied to the CSU baccalaureate.

@ A maximum of 5.3 semester units of UC transferable credit will be granted for both English tests.

UC: A maximum of 5.3 semester units of UC transferable credit for all Physics tests. CSU: If a student passes more than one AP exam in physics, only six units of credit may be applied to the CSU baccalaureate.

^ A maximum of 5.3 semester units of UC transferable credit will be granted for all three Art Studio tests.

INTERNATIONAL BACCALAUREATE (IB) EXAMS WITH SCORES OF 5, 6, OR 7 APPLICABLE TO IGETC CERTIFICATION

A score of 5, 6 or 7 on Higher Level exams is required to grant credit for IGETC certification. An acceptable IB score for IGETC equates to either 3 semester or 4 quarter units for certification purposes. Students who earned credit from an IB exam should not take a comparable college course as transfer credit will not be granted for both.

~The CSU policy for IB can be found at <https://www2.calstate.edu/apply/transfer/pages/international-baccalaureate-ib.aspx>. Each campus in the California State University system determines how it will apply external examinations toward credit in the major. Contact the individual campus for more information.

+The International Baccalaureate Organization (IBO) awards either a diploma or a certificate for individual IB exams. UC awards students who complete the International Baccalaureate diploma with a score of 30 or above with 6 quarter (4 semester) units toward their UC degree, in addition to the units earned for individual Higher Level exams (usually 24 quarter/16 semester units). Students who receive IB certificates with scores of 5, 6 or 7 on Higher Level exams will receive 8 quarter (5.3 semester) units. For further information about UC systemwide IB credits in these and other subjects, visit <https://admission.universityofcalifornia.edu/admission-requirements/ap-exam-credits/ib-credits.html>. Contact individual UC campuses for more information on how specific subject credit may be granted.

‡ A score of 4 on these IB subjects is considered a passing score by the CSU system to earn CSU elective units.

Students satisfy this CSU graduation requirement through coursework in three areas: US-1, US-2 and US-3. A student must take one course from each of the three areas. A student may use the same course to satisfy more than one area (US-1, US-2, US-3), if applicable. IGETC is updated every fall semester. When registering for classes each semester, it is the student's responsibility to verify that the course(s) chosen to meet IGETC requirements are applicable to IGETC in the term that the course(s) is completed. Consult with an academic counselor.
