Sociology 107. See SBCC counselor for other options to satisfy this requirement.

**IGETC CERTIFICATION PROCESS**

Certification request forms may be obtained from the Transfer Center (CS140) or at http://articulation.sbcce.edu/forms/igetc/igetcapplication.pdf and must be submitted to the Transfer Center or to the e-mail address indicated at the bottom of the form. Certification will not be processed when courses are still in progress or before grades are known. Certification of IGEC is the responsibility of the last California community college that the student attended prior to transfer. Students must attach their official transcripts from other colleges to their request for IGEC certification unless an official copy is available in SBC’s Admissions and Records. IGEC coursework completed in specific subject areas at other California community colleges may be used in the area designated by the CCC where the course was completed, according to IGEC policy (IGEC Standards Section 5.1). Appropriate non-CCC general education courses in the humanities, mathematics, social sciences, and natural sciences that are completed at United States regionally accredited institutions may be certified if the course meets IGEC standards. For content, prerequisites, tests, unigraphics, or course limitations may be applied to IGEC if the educational institution has United States regional accreditation. All other international coursework cannot be applied to IGEC (Exception: Area 6A - Language Other than English).

**PARTIAL IGETC CERTIFICATION**

Partial certification is defined as completing all but two (2) courses on the IGEC pattern. The UC or CSU is responsible for verifying that the missing IGEC course(s) has been completed. Warning: Students need to meet minimum UC/CSU transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in IGEC Areas 1 and/or 2 may also indicate a student does not meet minimum transfer requirements.

**AMERICAN HISTORY AND INSTITUTIONS REQUIREMENT FOR UCBS**

Any of the following SBCC courses may be used to meet UCBS’s American History and Institutions Requirement as well as a requirement for IGEC: Administration of Justice 101,105-245; Art 106; Asian American Studies 101,102,120; Black Studies 101,102,103,121; English 225-226,226H; Environmental Studies 112; Ethnic Studies 101,101H,107; History 101,102,1023,110,110H,111,112; Native American Studies 101,102; Political Science 101,104,151, Sociology 107. See SBCC counselor for other options to satisfy this requirement.

**INTERNATIONAL BACCALAUREATE (IB) EXAMS WITH SCORES OF 3, 4, OR 5 APPLICABLE TO IGETC CERTIFICATION**

A score of 3, 4, or 5 is required to grant credit for IGEC certification. Each AP exam may be applied to one IGEC area satisfying one course requirement, with the exception of Language other Than English (Area 6A – see chart below). Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted. For information about course award credited by each CSU campus, contact the individual campus. For information about course credit awarded by each UC campus, visit https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/preparing-to-transfer/general-education-igetc/.

**SBCC ARTICULATION**

Contact individual UC campuses for more information on how specific subject credit may be granted.

---

**The CSU policy for IB can be found at https://www2.calstate.edu/apply/transfer/pages/international-baccalaureate-ib.aspx.** Each campus in the California State University system determines what it will apply external examinations toward. Students should contact the institution to report the index number for certification. The International Baccalaureate Organization (IBO) awards either a diploma or a certificate for individual IB exams. UC awards students who complete the International Baccalaureate diploma with a score of 3 or above with 6 quarter (4 semester) units toward their UC degree, in addition to the units earned for individual Higher Level exams (usually 24 quarter/16 semester units). Students who receive IB certificates with scores of 5, 6 or 7 on Higher Level exams will receive 8 quarter (5.3 semester) units. For further information about UC systemwide IB credits in these and other subjects, visit https://admission.universityofcalifornia.edu/admission-requirements/ap-exams/ib-credits.html. Contact individual UC campuses for more information on how specific subject credit may be granted.
A course must be a minimum of 3 semester or 4 quarter units to qualify for IGETC placement. Lab courses must be a minimum of 1 semester or 1 quarter units.
