**articulation.sbcc.edu/ib/ib.pdf**

**Santa Barbara City College**

Santa Barbara City College may grant credit toward the Associate Degree by petition for some high-level International Baccalaureate examinations, where a grade of a 5, 6, or 7 has been earned. Students wishing to receive credit for international baccalaureate examinations should contact the college's Articulation Officer for petition procedures.

**University of California and California State University**

A score of 5, 6 or 7 on Higher Level exams is required to grant credit for IGETC and CSU GE Breadth certification (exception: a score of 4 the following IB subjects is considered a passing score for CSU GE Breadth certification: Language A1 HL, Language A2 HL, Language A Literature HL, Language A Language and Literature HL, Language B HL, Mathematics HL and Theatre HL). An acceptable IB score for IGETC or CSU GE Breadth equates to either 3 semester or 4 quarter units for certification purposes. Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.

~ The CSU policy for IB can be found <https://www.calstate.edu/AcadAff/codedmemos/ASA-2017-13.pdf>. Each campus in the California State University system determines how it will apply external examinations toward credit in the major. Contact the individual campus for more information.

+ The International Baccalaureate Organization (IBO) awards either a diploma or a certificate for individual IB exams. Students completing the International Baccalaureate diploma with a score of 30 or above will receive 30 quarter (20 semester) units toward their UC degree. The University of California also grants 8 quarter (5.3 semester) units for students who receive IB certificates with scores of 5, 6 or 7 on Higher Level exams. For more information about course credit awarded by the campuses, <http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html>.

‡ A score of 4 on these IB subjects is considered a passing score by the CSU system to earn CSU elective units and CSU GE Breadth credit.

Consult each individual UC and CSU campus website for more information on their campus-specific IB policy.
